Senior scholarships are presented during the Athens Senior Honors Convocation in May

Students receiving an athletic scholarship from their college are responsible for ensuring that acceptance of an Athens Athletic Boosters scholarship does not impact their NCAA or collegiate eligibility.

Class of 2026 & beyond (reinstated):

Student applicant must volunteer for at least 4 of the required scholarship points during any of the 4 years.

Class of 2028 & beyond:

A minimum of 40 points must be earned to apply for the senior scholarship.

★ **NOTE:** Senior Booster member families who are unable to meet the requirements for a senior scholarship may volunteer for 9 points exclusively during their senior year and earn a \$200 award. This award may not be combined with a senior scholarship, but may be combined with a separate lead grant.

Families who earn a senior award/scholarship are eligible for a lead grant if they work a minimum of 9 additional lead shifts, exclusively during senior year. A senior award/scholarship **MUST** be earned first in order to qualify for a separate lead grant.
